

Workshop On Preparation of Self Learning Materials of UG Mathematics
under Choice Based Credit System (CBCS)

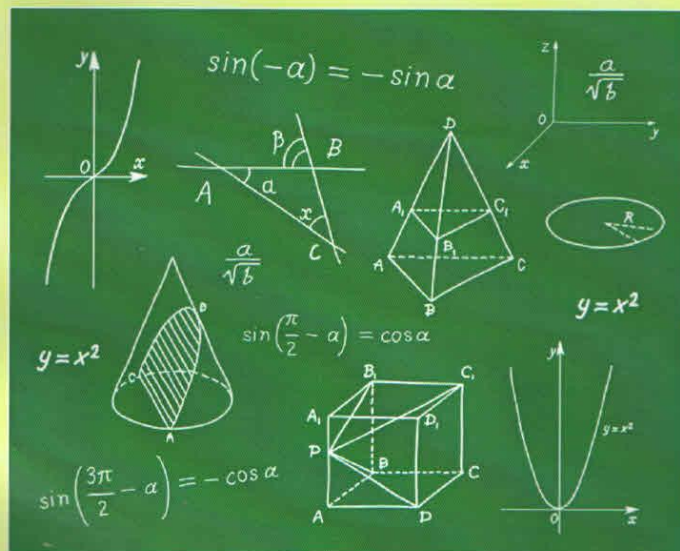

on 22 April, 2019

A one-day workshop was organized by the School of Sciences, Netaji Subhas Open University on 22nd April, 2019 at 2 p.m. in presence of The Director of Sciences, members of the Board of Study in Mathematics, some faculty members of NSOU and other learned members. This workshop was conducted in the Board Room of the University Head Quarters with a purpose to discuss about the syllabus revision under CBCS and preparation of Self Learning Materials (SLM) of UG Mathematics as the syllabus have been newly modified and came under CBCS. Different members of the Board of Studies for UG Mathematics took part in this workshop and expressed their valuable suggestions and shared experiences regarding the preparation of SLMs.

At the beginning of this program, Mr. Mrinal Nath, Assistant Professor of Computer Science, NSOU gave a welcome address to all the participants and briefly explained the purpose of that workshop. Then Dr. P.R. Ghosh who is a member of Board of Studies in UG Mathematics, NSOU addressed the audience and tried to give an idea about SLMs preparation and the probable guidelines to prepare a study material for distance learners. Prof. Ghosh also released the edited volume 'Distance Education and its Obscurities: Addressing the 'Inaccessibility' Conundrum in Mathematics and other Disciplines' edited by Dr. Kajal De. After that Prof. Arindam Bhattacharya, Member of Board of Study in UG Mathematics, NSOU and Professor of Mathematics, Jadavpur University delivered a valuable speech about this matter and the audiences were surely benefitted by his inputs about this topic. Then an interesting interactive session after the initial talks helped the cause of this workshop. The interactive session was followed by the lecture of Prof. Ratanes Misra, Associate Professor of Mathematics, NSOU.

At the later part, Prof. Kajal De, Professor of Mathematics & the Honorable Director, School of Sciences, NSOU helped to enrich all the participants of that workshop with her presidential address about the preparation of SLMs of Mathematics and shared her experiences, which she has gathered in her long time association with distance mode of learning system. Then the Workshop was concluded with the vote of thanks by Mr. Chandan Kumar Mondal, Assistant Professor of Mathematics, NSOU. In his normal vote of thanks Mr. Mondal expressed gratitude to the dignitaries, delegates, participants, guests and the university Authority for their whole-hearted support for the success of the workshop.
